1

Elephant Bigboots

I'm big and mighty, oh yes, it's true!
A towering giant, strong and new.
Everyone runs, they shiver with fright,
I could crush them all—just three and they're tight!
Look, I give the bunny a kick,
Teasing and joking, trick after trick!

2

But now I'm left all alone, just me.
Scaring is no fun, no joy, no glee.
Come, let's play—just you and I,
It doesn't matter if you're small or shy.

3

Giraffe Skyreach

I am a giraffe, tall as can be!
I touch the clouds and the moon I see.
I see it all, the world so wide,
While you see nothing from down inside.

4

But oh, if only you could too...
Come, climb up, I'll hold you through!
Now you see what I once knew,
And the joy we share is bright and new!

5

Fox Sneakysnatch

I'm a fox, I'm quick and sly!
If you blink, I'll snatch your pie.
Your bucket, your spade, all mine, you see!
My castle's grander—look at me!

6

But building alone is dull and grim,
If you're sad, the fun grows dim.
Let's build together, what a delight!
Then we'll share some vanilla ice!

7

Hedgehog Pricklykeep

I'm a fine hedgehog, spiky and proud,
Don't come too close, I sting out loud!
Everything's mine, no toys to lend,
Stay away or I'll prick you... my friend!

8

But oh! You laugh with sticks and stones,
With leaves and petals, all on your own!
May I join? Let's play as two,
Being with friends is better—so true!
